Accommodating Individuals with Disabilities

Individuals with disabilities will be provided opportunity to participate in all cooperative services on a basis equal to those without disabilities and will not be subject to illegal discrimination.

The Cooperative may provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service.

An individual with a disability should notify the Director if they have a disability which will require special assistance or services and what services are required. This notification should occur as far as possible before the program, or meeting.

Individuals with disabilities may allege a violation of this policy or of federal law by reporting it to the Director, as the Title II Coordinator, or by filing a grievance under the Uniform Complaint Procedure.
